

PRESS RELEASE

Sports Pro Gyro helps improve your game for any outdoor activity!

Anaheim, CA – New Sports Pro gyro with PowerStarter combo kit.

The New Sports Pro Combo is uniquely designed kit with a perfectly balanced gyro capable of reaching speeds in excess of 13,000 rpm all powered simply by your own hand! Perfect for any sport that requires a strong grip or coordination. This product can increase grip strength, range of motion, strengthen arms, and shoulder muscles. This is a proven tool in the prevention & elimination of Carpal Tunnel, Tendonitis, and other Repetitive Stress Injuries

(RSI). This product is the ultimate gift for anyone and was voted Top product of the year and endorsed by pro trainers worldwide. This package combines the Pro Gyro with the amazing PowerDock! The PowerDock will jump start your gyro exerciser and get it up to operating speed in seconds!
